## ABOUT US

Metrolink is Southern California’s regional passenger rail service that began operation in 1992. Metrolink is governed by the Southern California Regional Rail Authority (SCRRA), a joint powers authority made up of an 11-member board representing the transportation commissions of Los Angeles, Orange, Riverside, San Bernardino and Ventura counties. The agency’s 538 miles of track and 62 stations across six counties serve as an essential link in the region’s mobility network, enabling people to connect to their jobs and explore all that the region has to offer.
